# Nordic

---

NORDIC features a large selection of products including single-beds, highsleepers, study desks, smart storage, and child-friendly textiles. With the NORDIC bed system you can continually expand the child's room and style it to suit your child's age, gender and personality and create an excellent environment for your child throughout childhood – from toddler to teenager. Simple silhouettes, clean lines and natural materials define Scandinavian design and the NORDIC collection, which is made of solid pinewood, painted in white and beautiful subdued colours.

# CHARMING

---

## Little House

The beautiful little house bed with its appealing details gives the child's room a charming and playful vibe. The bed is the perfect way of creating a calm yet fun space that makes your child's room stand out!

# NORDIC

---

## Invitation to play

The little house calls for many hours of fun games and play and can be decorated in many ways to accommodate your child's needs in order to create the room of their dreams.

The NORDIC style is minimalistic and functional and yet warm and inviting. Optimize the space in the children's room by adding drawers and a guest bed under the bed to make room for their treasures, friends and "hygge".

## For Girls...

WELCOME

# To My House!

Let the children create a world of their own in this cool and cozy house, which is inviting to delightful play as well as a good night's sleep.

# NORDIC

## Big Boys

The NORDIC midsleeper is the perfect bed for boys and girls. The bed combined with our add-on furniture and storage units offers many possibilities to optimize the space in the child's room. Pull out the desk when it is time for creative projects and homework, show off their collectibles on the shelves and hide away toys and clothes in the chest.

# ROOM

## For Friends

The Click On items consist of: A blackboard, a book shelf and a mirror – all kept in a timeless and modern design that will fit perfectly into both the young child’s room and into the world of a tween.

THE COOLEST PLACE  
**to Hang Out**

There is plenty of space for friends hanging out or staying over with this cool NORDIC highsleeper with integrated sofa, sleeping module and desk.

# Find the Right Mattress

## The FLEXA Matress

A mattress with 3 cm latex with cool gel on one side, 5 cm cold foam in the middle, and 4 cm latex on the other side. Latex with air ducts provides good ventilation and transports moisture away from the body. The mattress is reversible to secure the right support for the growing child. Start by using the side with the 3 cm of latex. When the child reaches 40 kg, it's time to turn the mattress.

Suitable for children with sensitive skin or allergies.

## FLEXA Latex

A mattress with 6 cm latex and 6 cm cold foam on each side. Latex with air ducts provides good ventilation and transports moisture away from the body. The mattress adapts to the child's body, and it has a water-repellent, non-woven inner cover.

Suitable for children with sensitive skin or allergies.

## FLEXA Foam

A mattress with 12 cm premium foam and a zone landscape that adjusts to the movements of the child. The foam mattress has good ventilation which prevents the child from overheating. It has a non-woven, antibacterial and water-repellent inner cover.

## FLEXA Spring

A mattress that consists of 218 springs per m<sup>2</sup>. Surrounded by 3 cm soft flexible cold foam to ensure increased comfort for the child. The mattress has good ventilation which prevents the child from overheating. It has a water-repellent, non-woven inner cover.

Provides the right support for children over 50 kg.

# ...and the Right Cover

## Cotton Cover

Perfect for most children. The cover has a soft surface, and it's made of 100% natural materials for reinforced breathability that can help regulate the child's body temperature throughout the night.

## Bamboo Cover

Perfect for children with sensitive skin or allergies. The cover has a silky soft surface, and the fabric has antibacterial properties, which helps create a nice, hygienic sleeping environment.

## Eucalyptus Cover

Perfect for children who tend to sleep hot. The cover has a cooling effect and can help transport heat away from the body and absorb moisture, ensuring that the sleeping environment stays dry and comfortable.
